This camp is an exciting opportunity for new students to experience Taekwondo and for existing athletes to achieve their next belt level while preparing an electrifying demonstration.

The Camp

The Camp will be AJK's twentieth year of hosting a Taekwondo and leadership development program at Carden Hall. Our Taekwondo camp is much more than kicking and punching. We teach students the values and morals necessary to be the best they can be in life, developing qualities such as self-control, focus, respect, integrity, and stamina.

The week-long session will focus on Taekwondo skills, nurturing such attributes as beauty, grace, rhythm, accuracy, power, technique, and attitude. There will be a tournament, promotion exam, and a choreographed TKD demonstration at the end of the week.

The camp includes Taekwondo instruction, board breaking, tournament, medals, and certificates.
